wire-o® bind 3300

HIGH SPEED BINDING MACHINE

The user friendly W.O.B. 3300 is
simple to operate with one simple
keyboard operation.

At 500-1000 books per hour, the all new semi-automatic **WIRE-O® BIND 3300** is fast, yet simple to operate with all size and formats set-ups instantly adjustable by user-friendly « touch screen » electronic controls.

The versatile **WIRE-O® BIND 3300** is designed to work alongside the highly successful Alpha-Doc® and Docu-Punch® automatic punching machines, accurately finishing a wide variety of documents, including oversize covers and tabbed sheets, for all Wire-O® sizes up to 1-1/4". Together, they are the perfect high speed Wire-O® finishing solution for today's modern in-plant, digital and « on demand » printing environments, where ease of use, versatility and productivity are a must.
